3rd Force Recon Company in Vietnam 1969-70 is the definitive account of the elite unit that operated behind enemy lines in the Vietnam War. This book tells the true story of the men who fought and died in this secret war, and reveals the harrowing details of their missions.

The 3rd Force Recon Company was a small, highly trained unit of Marines that was tasked with conducting reconnaissance and sabotage missions behind enemy lines. The company was based in Da Nang, South Vietnam, and operated throughout the country. The men of the 3rd Force Recon Company were some of the most highly skilled and experienced Marines in the war. They were experts in jungle warfare, and they were often called upon to conduct the most dangerous missions.

The missions of the 3rd Force Recon Company were often harrowing and deadly. The men of the company were often outnumbered and outgunned by the enemy, and they often had to fight their way out of dangerous situations. Despite the dangers, the 3rd Force Recon Company was one of the most successful units in the Vietnam War. The company's missions helped to provide valuable intelligence to the US military, and they also helped to disrupt the enemy's operations.

3rd Force Recon Company in Vietnam 1969-70 is the definitive account of this elite unit. The book tells the true story of the men who fought and died in this secret war, and reveals the harrowing details of their missions. This book is a must-read for anyone interested in the Vietnam War, or in the history of the US Marine Corps.

- The Legacy

The Vietnam War was one of the most controversial and divisive conflicts in American history. The war began in the early 1960s, and it escalated into a full-scale war by the late 1960s. The United States sent over 500,000 troops to Vietnam, and the war lasted for over a decade.

The Vietnam War was a difficult and bloody conflict. Over 58,000 American service members were killed in the war, and over 300,000 were wounded. The war also had a devastating impact on Vietnam. Over 2 million Vietnamese civilians were killed, and the country was left in ruins.

The 3rd Force Recon Company was one of the most elite units in the Vietnam War. The company was based in Da Nang, South Vietnam, and operated throughout the country. The men of the 3rd Force Recon Company were some of the most highly skilled and experienced Marines in the war. They were experts in jungle warfare, and they were often called upon to conduct the most dangerous missions.

The 3rd Force Recon Company

The 3rd Force Recon Company was formed in 1965. The company was composed of volunteers from the 3rd Marine Division. The men who volunteered for the 3rd Force Recon Company were some of the most highly motivated and physically fit Marines in the division.

The 3rd Force Recon Company was a small unit. The company had only about 100 men at full strength. However, the men of the 3rd Force Recon Company were some of the most highly trained and experienced Marines in the war. They were experts in jungle warfare, and they were proficient in a variety of weapons and tactics.

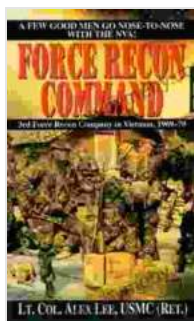

The 3rd Force Recon Company was tasked with conducting reconnaissance and sabotage missions behind enemy lines. The company's missions were often dangerous and deadly. The men of the 3rd Force Recon Company were often outnumbered and outgunned by the enemy, and they often had to fight their way out of dangerous situations.

Despite the dangers, the 3rd Force Recon Company was one of the most successful units in the Vietnam War. The company's missions helped to provide valuable intelligence to the US military, and they also helped to disrupt the enemy's operations.

The Missions

The missions of the 3rd Force Recon Company were varied and often dangerous. The company's missions included:

- Reconnaissance missions: The 3rd Force Recon Company was often tasked with conducting reconnaissance missions behind enemy lines. These missions were designed to gather intelligence on enemy positions, strength, and movements. The men of the 3rd Force Recon Company would often
