Every Single One Illustrated is a powerful and moving graphic novel that tells the story of the American Holocaust. From the horrors of slavery to the Jim Crow era to the ongoing struggle for civil rights, this book shines a light on the dark history of racial discrimination in the United States. Through stunning illustrations and compelling storytelling, Every Single One Illustrated brings to life the stories of those who have suffered and fought for justice.

The book opens with a prologue that sets the stage for the horrors that are to come. We see a young black boy being sold into slavery, and we hear the words of Frederick Douglass: "I have seen the horrors of slavery, and I have known the lash." From there, the book takes us on a journey through the centuries, showing us the ways in which racial discrimination has shaped the American experience.

We see the horrors of slavery, with its forced labor, beatings, and lynchings. We see the rise of the Jim Crow era, with its segregation laws, poll taxes, and lynchings. We see the struggle for civil rights, with its sit-ins, marches, and freedom rides. And we see the ongoing legacy of racial discrimination, with its mass incarceration, police brutality, and voter suppression.

Every Single One Illustrated is a difficult book to read, but it is an important one. It is a reminder of the horrors that have been perpetrated against black people in the United States, and it is a call to action for us to fight against all forms of racism and discrimination.

The book is illustrated by Koren Shadmi, whose stunning artwork brings the stories to life. Shadmi uses a variety of styles, from realistic to abstract, to create a powerful and moving visual experience. The illustrations are often haunting, but they are also beautiful, and they help to convey the complexity of the American Holocaust.

Every Single One Illustrated is a must-read for anyone who wants to understand the history of racial discrimination in the United States. It is a powerful and moving book that will stay with you long after you finish it.

Reviews

"Every Single One Illustrated is a powerful and moving graphic novel that tells the story of the American Holocaust. From the horrors of slavery to the Jim Crow era to the ongoing struggle for civil rights, this book shines a light on the dark history of racial discrimination in the United States. Through stunning illustrations and compelling storytelling, Every Single One Illustrated brings to life the stories of those who have suffered and fought for justice." - **Ibram X. Kendi, author of How to Be an Antiracist**
