Aleksandr Solzhenitsyn is one of the most important writers of the 20th century. His novels and essays about the Soviet Union's Gulag system exposed the horrors of Stalin's regime and helped to bring about its downfall. After being expelled from the Soviet Union in 1974, Solzhenitsyn lived in exile in the United States for two decades. During this time, he continued to write and speak out against the Soviet Union, and he also became an outspoken critic of Western culture.

Exile in America: 1978-1994 by The Center for Ethics and Culture Solzhenitsyn Series is a detailed look at Solzhenitsyn's life in exile in the United States. The book offers new insights into his work and his impact on the world.

Solzhenitsyn's Life in Exile

Solzhenitsyn arrived in the United States in 1978. He was initially welcomed as a hero, but he soon became disillusioned with the country. He found American culture to be materialistic and hedonistic, and he believed that the United States was losing its moral compass. Solzhenitsyn also criticized the United States for its support of the Soviet Union. He believed that the United States was helping to prop up a regime that was responsible for the deaths of millions of people.

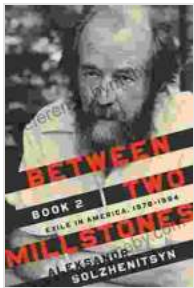

Despite his criticism of the United States, Solzhenitsyn remained in the country for two decades. He continued to write and speak out against the Soviet Union, and he also became an outspoken critic of Western culture. Solzhenitsyn's work had a profound impact on the world. His books and essays helped to raise awareness of the horrors of the Gulag system, and they also helped to inspire the collapse of the Soviet Union. Solzhenitsyn was a courageous and principled man who dedicated his life to fighting for freedom and justice.

The Center for Ethics and Culture Solzhenitsyn Series
