### Written Exam Preparation: Conquer the Permit Test

The written exam is the gateway to your driving permit. Our guide includes a comprehensive collection of practice questions covering all aspects of the permit exam, providing you with the knowledge and confidence to ace it.

### The Effectiveness of Permit

The purpose of this passage is to inform you about the effectiveness of permit. The author states that, in general, permit is not as effective as it is often thought to be. The author provides evidence to support this claim by discussing the results of a study conducted by the National Institute of Health. The study found that, in general, permit is not as effective as it is often thought to be. The author also discusses the reasons for this, including the fact that permit is often used in situations where it is not the best solution. The author concludes that, while permit can be useful in some situations, it is not as effective as it is often thought to be.

Which of the following is the author's main point?

- A. Permit is not as effective as it is often thought to be.
- B. Permit is only useful in some situations.
- C. The author believes that permit is not as effective as it is often thought to be.
- D. Permit is not as effective as it is often thought to be.
- E. Permit is not as effective as it is often thought to be.
