This book is divided into three main sections:

- **Part 1: Today's Issues**
- **Part 2: Tomorrow's Trends**
- **Part 3: The Future of Nursing**

In Part 1, you'll learn about the most pressing issues facing the nursing profession today, including:

- The nursing shortage
- The aging workforce
- The changing healthcare landscape
- The impact of technology on nursing
- The need for innovation in nursing

In Part 2, you'll explore emerging trends that will shape the future of healthcare delivery, including:

- The rise of personalized medicine
- The increasing use of technology in healthcare
- The growing emphasis on patient-centered care
- The need for interprofessional collaboration
- The changing role of the nurse

In Part 3, you'll learn about the future of nursing and how you can prepare for the challenges and opportunities ahead.

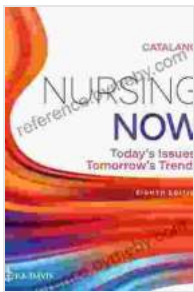

Nursing Now, Today's Issues & Tomorrow's Trends is an essential read for all nursing professionals who want to stay ahead of the curve and make a difference in the lives of their patients.
