The book begins with a look at the early days of boxing in South America. The first boxing matches in the region were held in the late 19th century, and the sport quickly gained popularity. By the early 20th century, there were boxing clubs in every major city in South America, and the region was producing some of the best boxers in the world.

One of the most famous South American boxers of all time is Roberto Duran. Duran was a ferocious fighter who was known for his punching power and his never-say-die attitude. He won world championships in four different weight classes, and he is considered one of the greatest boxers of all time.

Another famous South American boxer is Oscar De La Hoya. De La Hoya was a skilled boxer who was known for his speed and his accuracy. He won world championships in six different weight classes, and he is considered one of the greatest boxers of all time.

Sergio Martinez is another famous South American boxer. Martinez was a powerful boxer who was known for his punching power and his ability to take a punch. He won world championships in two different weight classes, and he is considered one of the greatest boxers of all time.

South American Fights And Fighters Illustrated is a must-read for any fan of boxing. The book is packed with over 300 photographs, many of which have never been published before, and it tells the stories of some of the greatest boxers to come out of South America. The book is a valuable addition to any boxing library, and it is sure to be enjoyed by fans of the sport for years to come.
