Are you interested in learning Polish? Whether you're a complete beginner or you have some basic knowledge of the language, this guide has everything you need to get started.

This guide is divided into three parts:

1. **Pronunciation and Alphabet:** This section will teach you how to pronounce Polish words correctly and introduce you to the Polish alphabet.
2. **Grammar:** This section will cover the basics of Polish grammar, including nouns, verbs, adjectives, and adverbs.

3. **Vocabulary:** This section will introduce you to some basic Polish vocabulary, including words for everyday objects, food, and drinks.

Pronunciation and Alphabet

Polish is a phonetic language, which means that words are pronounced as they are spelled. However, there are a few exceptions to this rule. For example, the letter "c" is pronounced as "ts" before the vowels "i" and "e".

The Polish alphabet has 32 letters. The following table shows the Polish alphabet and the corresponding pronunciation:
