

The Navy Air War Annotated: The Definitive History of Naval Aviation in World War II

The Navy Air War Annotated is the definitive history of naval aviation in World War II. This massive, fully annotated volume tells the story of the U.S. Navy's air war from the attack on Pearl Harbor to the surrender of Japan, with a particular focus on the Pacific theater.

Featuring hundreds of rare and never-before-seen photos, as well as detailed maps and charts, The Navy Air War Annotated is the most comprehensive and authoritative account of this pivotal conflict. Written by a team of leading historians and experts, this book provides an unparalleled look at the men, machines, and missions of the U.S. Navy's air war.
