Things Seen From Above is a stunning collection of aerial photographs that capture the beauty and diversity of our planet. From towering mountains to vast deserts to sparkling oceans, this book offers a unique perspective on the world we live in.

Photographer Shelley Pearsall has spent years traveling the globe, capturing breathtaking images of the natural world from above. Her photographs reveal the intricate patterns and textures of our planet, and offer a glimpse into the hidden wonders that often go unnoticed from the ground.

Things Seen From Above is a visual feast that will appeal to nature lovers, photographers, and anyone who appreciates the beauty of our planet. It is

also a thought-provoking book that encourages us to think about our relationship with the natural world and our responsibility to protect it.
