In his new book, *Where Soccer Explains Rules The World*, James Montague takes us on a journey through the global game, exploring how it reflects the cultures and values of different countries. Montague travels to 15 countries, from Brazil to China to the United States, to meet with players, coaches, and fans. He learns about the different ways that soccer is played and celebrated in each country, and he discovers how the game can be a force for good in the world.

Montague's book is a fascinating and insightful look at the global game of soccer. It is a must-read for anyone who loves the sport or who is interested in learning more about the different cultures of the world.

Chapter 1: Brazil

Brazil is the birthplace of soccer, and it is a country where the game is played with passion and flair. Brazilians love to attack, and they produce some of the most skillful players in the world. But soccer in Brazil is also about more than just winning. It is a way of life, and it is deeply ingrained in the country's culture.

Montague travels to Brazil to meet with some of the country's most famous soccer players, including Pele, Ronaldo, and Neymar. He also visits the Maracana Stadium, the largest soccer stadium in the world. And he attends a samba school, where he learns about the close relationship between soccer and music in Brazil.

Montague's chapter on Brazil is a vibrant and colorful portrait of a country that is crazy about soccer. It is a must-read for any fan of the game.

Chapter 2: China

China is the most populous country in the world, and it is a rapidly growing soccer market. The Chinese government is investing heavily in the sport, and it is hoping to host the World Cup one day. But soccer in China is still in its early stages of development. The national team has never qualified for the World Cup, and the domestic league is not yet very competitive.

Montague travels to China to meet with some of the country's most promising soccer players, including Wu Lei and Zhang Linpeng. He also

visits the Chinese Football Association's training center, where he learns about the government's plans for the future of the sport. And he attends a match between Beijing Guoan and Guangzhou Evergrande, the two most successful teams in the Chinese Super League.

Montague's chapter on China is a fascinating look at a country that is trying to become a soccer superpower. It is a must-read for anyone who is interested in the future of the global game.

Chapter 3: United States

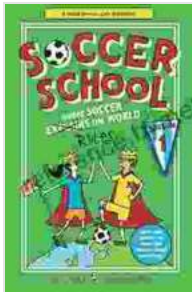

The United States is a relative newcomer to the world of soccer, but the game is growing rapidly in popularity. The US national team has qualified for the World Cup several times, and the domestic league, Major League Soccer, is becoming increasingly competitive.

Montague travels to the United States to meet with some of the country's most promising soccer players, including Christian Pulisic and Weston McKennie. He also visits the US Soccer Federation's training center, where he learns about the federation's plans for the future of the sport. And he attends a match between the LA Galaxy and the Seattle Sounders, two of the most successful teams in MLS.

Montague's chapter on the United States is a fascinating look at a country that is embracing the global game of soccer. It is a must-read for anyone who is interested in the future of the sport.

Soccer is a global game that is played by people of all cultures and backgrounds. It is a game that reflects the values and beliefs of the societies in which it is played. In his book, *Where Soccer Explains Rules*

The World, James Montague takes us on a journey through the global game, exploring how it reflects the cultures and values of different countries. Montague's book is a fascinating and insightful look at the world's most popular sport. It is a must-read for anyone who loves the game or who is interested in learning more about the different cultures of the world.
